You are welcome to arrive on Friday and camp out or come in early on Saturday morning. We will be greeters on horseback and ride in pairs around the event. The event officially starts at noon so make sure you get there early enough to paint your chaps. Our goal is to paint our chaps either Friday afternoon/evening or Saturday morning so be sure to have your letters blocked out with the blue painters tape. This will save you lots of time!

U.S. Marshals Posse of Texas, 2722 Old Maypearl Road, Waxahachie, TX 75167

Be sure and bring your vest and duster with brown wild rags, white snap shirts and BLUE wrangler jeans. We have not decided our dress attire for the event but plan to have everything with you. ***We are still wearing the felt Silver belly Hats until after Easter.*** (Easter - April 12th)

So far the Texas Weather is suppose to be a High of 80 on Saturday and a low of 65. Friday's High is 82. But we all know that is subject to change! Welcome to Texas.....

If you want to ride Friday or Sunday, we have permission to ride the ranch before and after the event. Remember to Ride with a partner at all times.

There will be BBQ and Hamburgers sold at the event or bring your cooler and enjoy your own sandwiches. They are also planning to gather around the campfire and play music all weekend in the evenings.
