## **Old Business and New Business Updates**

### **Special Election:**

There will be a special election held at this meeting for a new Board of Directors Member. Be sure and come to the meeting to place your vote and make sure your vote counts! Standard by-law rules apply – you must be current on dues and you must be an eligible, voting member.

### **Upcoming Events:**

There are no currently scheduled upcoming events. If there is something you would like to do, bring your ideas/suggestions to the meeting for all to hear!

### **Paint `Em High!**

For the last event outside of Maypearl, the attending members painted their chaps (that's pronounced SH-aps – it's like the other SH word, but replace the "it" with "aps"). The chaps looked really good with the rest of our gear and the letters on the chaps really stand out! Those members that did not attend need to be sure and have their chaps masked off with masking tape so that they can be painted prior to our future events. If you need to make special arrangements to get them painted, please let one of the officers know and we will get you accommodated as best we can. Bruce did an excellent job painting the chaps, but spent the rest of the morning with a slight headache and a really silly look on his face. He also seemed to eat a lot for lunch!
