Old Business and New Business Updates

Membership Drive:

We have a new candidate to vote on at the meeting! Come to the meeting this month and meet the new candidate and also meet our newest members if you haven't already.

Upcoming Events:

We have a get together over in Ft. Worth at the Stockyards on Thursday, November 6th. This is actually before the meeting but I wanted to remind everyone we have an opportunity for the group to work together on parade etiquette as well as any training opportunities that might arise. The next get together is going to be planned for a Saturday or Sunday so that we can get more people to come out and work on improving the capabilities of this posse!

Tuesday, November 11th is the Veteran's day parade. We currently have about 8 riders planning to attend this event. This is on a Tuesday in the middle of the day which makes it hard to attend. Thank you to all those who are planning to come out and make the posse look good!

Saturday, December 6th is the Christmas Parade in downtown Dallas. Come to the meeting and get the details on this parade!

Saturday, December 6th will be our meeting and luncheon following the Christmas parade.

Saturday, December 6th we have been invited to the Ft. Worth Christmas parade. Come to the meeting and help us decide if we want to make it a "two for" and attend both parades!

Equipment Update:

We have Duster's on order and are also working to get breast collars, pads, etc. back in stock as we have run dry at this point! If you need any specific equipment, please let us know as soon as possible so we can plan accordingly.

January Elections:

It is that time again to start thinking about the upcoming elections at the end of the year. Below is a list of currently-eligible voting members followed by a list of the other active members and what they need to become voting members. Remember, you need a combination of at least two events and at least two meetings, for a total of 6 or more to be a voting member, i.e. 2 meetings and 4 events or 4 meetings and 2 events, or a combination of those.
